Pupil Permissions

Dear Parents and Carers

As part of our continuous drive to ensure our pupils are as safe as possible, we would like to review and refresh all permissions. We are incredibly lucky to have received a number of invitations to take part in activities organised by external partners already this year. Alongside this increase, we are seeing a rise in the number of partners who use digital images and recordings of pupils when sharing activities with the wider community. This all goes to showcase the wonderful work that goes on in schools.

As such, we would kindly ask that you [click here](#) to update your child's permission form. Please make sure that you have done this by Friday 8th December at the very latest. We will use your child's current permissions in the interim and then any changes will come into effect from Tuesday 2nd January 2024. If for any reason, there are changes that you would like made immediately, please notify the school office in writing.
