Dear Parents and Carers,

Volunteering in School

The Solent Schools actively encourage the involvement of parents and other members of our community in enhancing experiences for our pupils. If you feel that you would like to give up some of your precious time, such as a morning or an afternoon each week, we would love to hear from you.

Regular volunteering in school involves working with pupils under the supervision and direction of school staff, often the class teacher. There are many areas where your support can be used such as helping with displays, listening to readers, cookery, sewing and general classroom support. Please note that we do require any volunteer within school to complete a DBS check before starting (as we do with all employees within school) and also to take part in a volunteer welcome meeting with the Head of School or Executive Headteacher. Please also note that it is not school policy to place volunteers in the same class as a relative.

If you are interested in helping in school on a voluntary basis then please click [HERE](#) and complete the online form. Your request will be directed to the Head of School who will be in contact with further details including the invite to the welcome meeting.

We look forward to you being more involved in the school community.

Yours sincerely

L Wilby

Executive Headteacher

L Peterkin-Aldred

Head of School
