

Develop our Research Learning Community to include our strong team of teaching and learning support staff

To launch and develop 'Solent in the Community' as a pupil led initiative

To embed Restorative Practice across our schools by enabling pupils to lead in the process and involving our families

Ensure all children are continuously given opportunities to learn within greater depth in writing

## The Solent Schools' Improvement Priorities 2019-2020

To keep pupil and staff wellbeing a priority at all times within our caring school community.

Ensure that more children work within greater depth in mathematics
