'Dance Live T-shirt Competition'

Dear Parents/Carers,

Our rehearsals are well underway and the pupils at Solent Junior are working really hard towards their 'Dance Live' performance at the Guildhall, Portsmouth in February next year.

Our piece, this year, is called 'Dreaming Through a Lens' and is about the career of Steven Spielberg. It looks at how he nearly gave up his passion for film making but with determination, he carried on and became one of the most famous film makers in the world.

Each time we represent our school we wear a team t-shirt. We would like our Solent pupils to help design our 2023 team T-shirt. The winning idea/s will win a T-shirt with their design/ideas on.

To enter our competition, you need to draw your ideas on the template attached to this letter/or design on a computer.

Hand in your designs to either the Junior or the Infant School office by Friday 9th December.

You must include the words 'Dreaming through a lens' and a picture/pictures.

We are really looking forward to seeing your ideas!

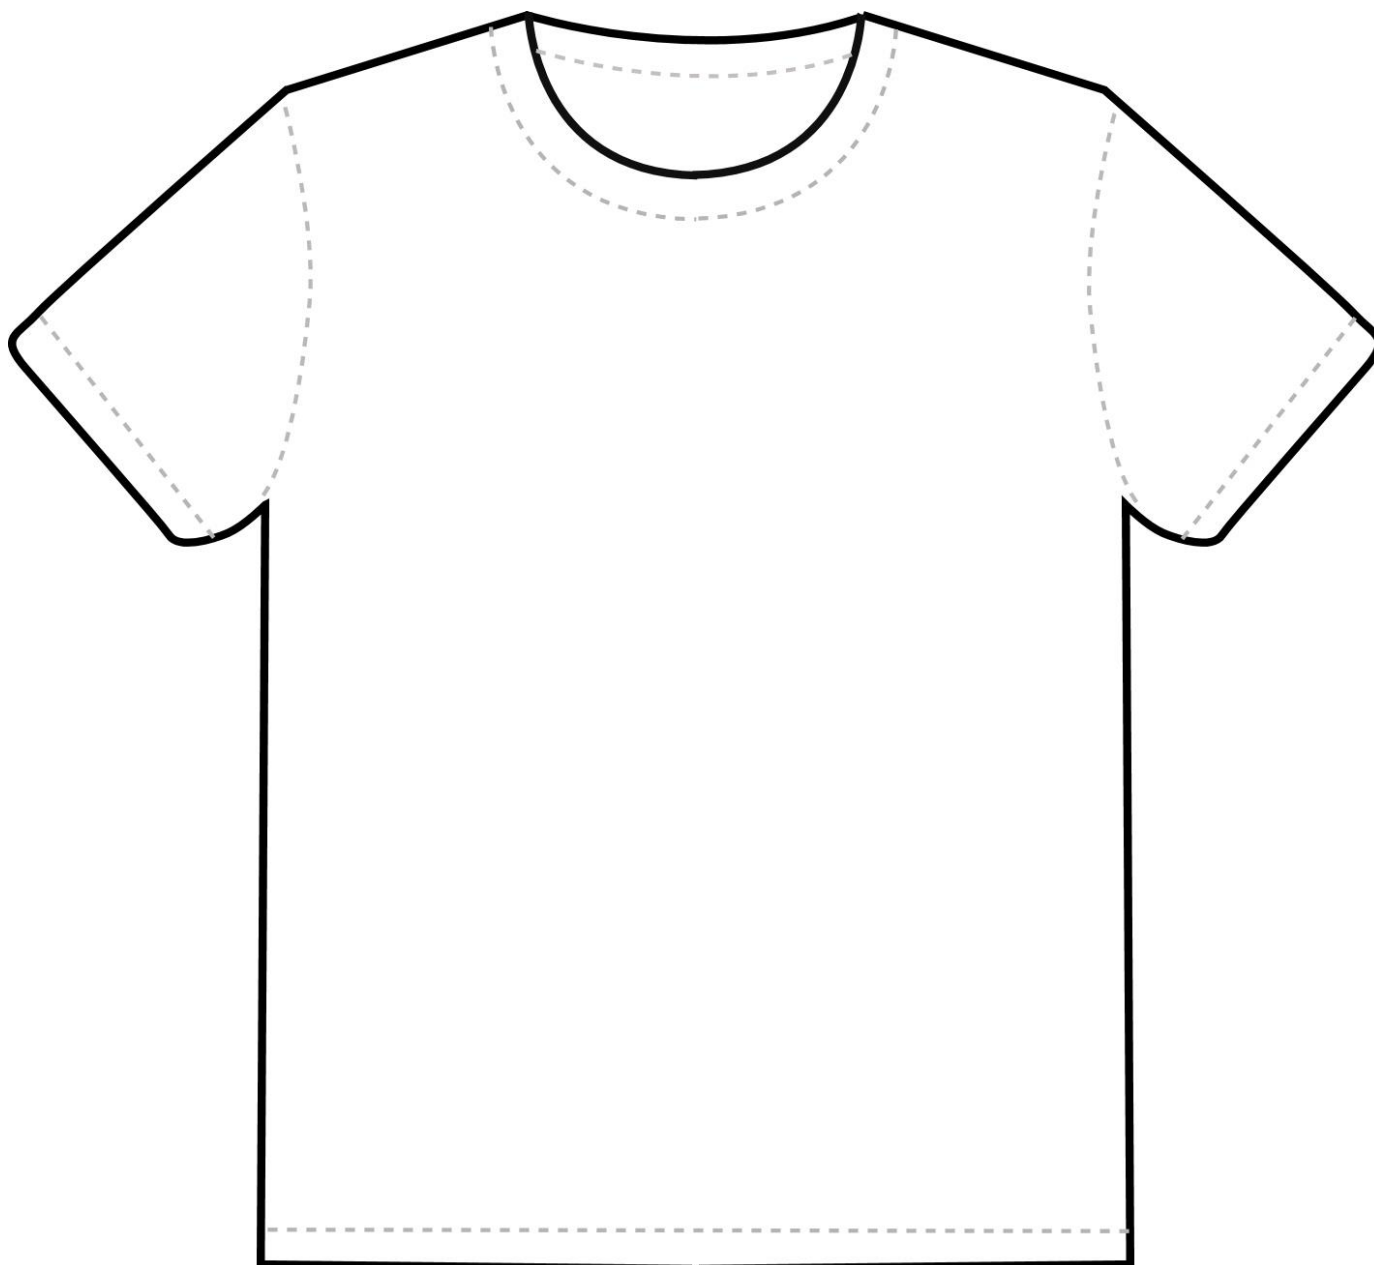

Yours Sincerely

Mrs Brook and the Dance Live team.
