Classroom Based Curriculum Workshops

Dear Parents and Carers

As shared in recent newsletters, our Summer Classroom Workshops are being held after half term. We are writing to you today with a link to support you in booking onto this event.

These workshops will be repeated each half term, each lasting half an hour. They will be based in your child's classroom and led by your child's class teacher. Your child will join you and work alongside you for the duration of the meeting. They will all vary slightly in content, but will include things such as information sharing, a chance to try learning activities alongside your child, and some 'top tips' and handouts to enable you to continue to support your child with their learning at home. It will also give you the opportunity to sample what learning is really like for your child in their classroom! The theme for the meeting in Summer 2 will be Maths.

At **Solent Junior School** the meetings will be held from 9.00 – 9.30am. Once you have dropped your child off as usual, please then wait outside the main office green gate. At 8.55am a member of the office team will invite you in through the gate and ask you to make your way round to your child's class external door. You will be asked to sign in as you enter the classroom and then out again as you leave. Please exit site the same way that you entered (via the main office gate). The children and teacher will be ready and waiting in the classroom when you arrive!

Please note, on this occasion we would ask that younger siblings do not attend. For safeguarding reasons, please ensure that all mobile phones are kept out of sight and are not used whilst on the school premises. This includes the use of any mobile device to take photographs

The dates set are as set out below. Please **click on your child's class in the green box to book online**. Booking is essential and there will be no places available to book on the day. Places will be reserved in order of booking, and are limited, so please book early to avoid disappointment. If you would like to book for a second child, you will need to return to this page and then click the second class to book separately.

Yours sincerely
