

Thursday 16<sup>th</sup> January 2025

Dear Parents and Carers,

**Adult and Child Workshop (Years 3-6) - Supporting Your Child in Mathematics**

Next week we will be hosting the next in our series of Curriculum Workshops. The focus for the session is Maths. Years 3 and 4 will have a focus on the multiplication and division approach, which supports the MTC checks that take place in June in Year 4. In Years 5 and 6 the focus will be fluency in Maths.

These events are provided to give you the opportunity to come into school and attend a workshop alongside your child. Due to limited space in the classroom, we ask that only one adult attends with each child.

The dates and times of each of the workshops are below. Spaces are limited and will be allocated on a first come, first served basis.

**Years 3 & 4** – Wednesday 22<sup>nd</sup> January 2025 9am -9:30am

**Years 5 & 6** – Thursday 23<sup>rd</sup> January 2025 9am -9:30am

You will be able to sign up under the **clubs section** of your **Arbor app**. Sign up will open at **6pm on Friday 17<sup>th</sup> January**.

We are looking forward to seeing you at this event!

Yours Sincerely

Miss Smith

Maths Lead
