

Friday 20th March 2026

Dear Parents and Carers,

We are incredibly proud of the effort and determination shown by our children in completing the **10km Your Way Challenge** in support of the charity **Sophie's Legacy**. With just one week left of the challenge, we just wanted to send a reminder that sponsorships are due in next week. Once your child has completed their challenge, sign the sponsorship form to confirm, and return to school via their class teacher during the week beginning **Monday 23rd March and no later than Friday 27th March**.

It is not too late to donate. You can do this via the JustGiving link [by clicking here](#).

Or by scanning the QR code at the bottom of this letter.

To mark this fantastic achievement, we would like to invite all children to take part in a special celebration day at school.

On **Friday 17th April**, children are invited to wear **bright, non-school uniform**, with a particular focus on the colour **yellow**, as a symbol of positivity and celebration, and to show support towards the Sophie's Legacy charity.

During a special assembly on this date, we will celebrate the incredible amount of money raised for Sophie's Legacy and acknowledge the collective effort of our school community. We will also be presenting medals to all children who have purchased them, as a lasting reminder of their achievement.

If you would like your child to receive a medal in our special celebration assembly, once they have completed their 10km, **please place your order and pay by going to the shop section on your Arbor App. All orders must be received by 9am on Monday 23rd March.**

Thank you for your continued support and encouragement throughout this challenge. It has been wonderful to see how enthusiastically our pupils have taken part and how they have embraced the importance of helping others.

If you have any questions, please do not hesitate to contact the school via the usual communication channels.

Yours sincerely,

Miss Saunders, Mrs Collings and Mrs Wilby
