

Friday 8<sup>th</sup> May 2026

Dear Parents and Carers

**Year 3,4 and 5 Parent / Carer and Child Workshop - Supporting Your Child with arithmetic**

After Half Term, we will be starting to host our popular Curriculum Workshops. The focus for these workshop sessions will be Maths - with an arithmetic focus. During the session we will:

- ✓ Model methods of calculation for all operations covered in your child's current year group
- ✓ Look at the year group coverage of fractions and how this is taught through a concrete, pictorial and abstract approach.
- ✓ Share past paper reasoning problems from KS2 SATS that are relevant to the taught curriculum of your child's current year group.

These Curriculum Mornings are designed to provide you with an opportunity to join and work alongside your child, within their classroom setting. Due to limited space in the classroom, we ask that only one adult attends with each child. We also ask that, if you have booked a space, you make a note of the date and time, as your child will be waiting in the classroom for you to attend the session with them. Entry to the workshops will be via the office, from 9:10am and will end at 9:40am.

The dates and times of each of the workshops are below:

Wednesday 20<sup>th</sup> May– Lower School (Years 3 & 4)

Tuesday 19<sup>th</sup> May – Year 5.

On this occasion, there is no year 6 workshop.

You will be able to sign up under the Clubs section of your Arbor app. Sign up will open today (Friday 8<sup>th</sup> May) at 6pm.

Yours Sincerely

Miss Smith
