Friday 13th November 2020

Dear Parents and Carers,

Year 5 Alien Day – Friday 4th December

As part of our **Space – The Final Frontier** topic, we would like to offer all of the Year 5 children the opportunity to take part in our **Alien School Day**. Under normal circumstances, we would have offered the opportunity to visit the Winchester Science Centre but Covid restrictions meant this was not possible this year. We would however, like to find some way to celebrate and enjoy the children's topic work this term. This day will have no cost implications for parents and carers.

We will be using the whole day and each class will take part in **alien interviews, alien language learning and, planet design and presentation** in their bubbles.

We would like the children to feel completely immersed in the day so would like to invite them to dress up as **aliens** for the day. They can be any type of alien they like as long as they can explain which planet and galaxy they are from and maybe speak a little of their (made up) language. We can assure you that the Year 5 Team already have costumes in mind.

We are very much looking forward to the day and hope that your children will do too.

Kind regards,

Mrs Winslade Mr Washer Mrs Atkins Mrs Galbraith

Year 5 Team
